Eric,
Your agenda & talking points look good. I added a couple of minor suggestions for your consideration into your attached Talking Points document. See you at the mtg.

Attached is a draft meeting agenda and a set of agency talking points. A final agenda will be forthcoming from Valerie Oster but it should look very similar to this one. The agency talking point summarize where we are with respect to our retreat follow-up. I plan on handing these out at the meeting to facilitate discussion but will not be sending electronically.

If you have any comments or questions, let me know.

Thanks, Eric
